

Manager's Message 4

It has been questioned if our flag will be flown at half staff in honor of the loss of one our past Supervisors, Helen Rauscher.

The honor of having the flag flown at half staff is by the direction of the President of the United States.

The Governor may direct the flag to be flown at half staff to honor a fallen soldier from his/her State.

Helen served Upper Mount Bethel Township as Supervisor from January 1992 to January 1998 with dedication and a will to make the township better.

She was a member of the Parks and Recreation committee and was a strong supporter of youth activities.

Helen's presence will be sorely missed but her contributions will be with us always and her spirit, will be ever present in our hearts.

Please share a moment of meditation to strengthen the soles of those she loved and mourn for her.

May Helen rest in peace.
